Hickory Ridge Subdivision  
Section 2

Gibson County, Tennessee

SHEET TITLE  
Schematic Layout  
Plan

PROJECT NO.  
17144

DATE  
May 2017

SHEET NO.  
C1.0

1. The owner has prepared sufficient maps of a subdivision of land, as legally recognized by the laws of the State of Tennessee, to be recorded in the public records of the State of Tennessee. The owner has also caused to be prepared and recorded in the public records of the State of Tennessee a plat of the subdivision of the land, as legally recognized by the laws of the State of Tennessee, showing the location of the proposed subdivision of the land, as legally recognized by the laws of the State of Tennessee, and the location of the proposed subdivision of the land, as legally recognized by the laws of the State of Tennessee, and the location of the proposed subdivision of the land, as legally recognized by the laws of the State of Tennessee.

2. The owner has caused to be prepared and recorded in the public records of the State of Tennessee a plat of the subdivision of the land, as legally recognized by the laws of the State of Tennessee, showing the location of the proposed subdivision of the land, as legally recognized by the laws of the State of Tennessee, and the location of the proposed subdivision of the land, as legally recognized by the laws of the State of Tennessee, and the location of the proposed subdivision of the land, as legally recognized by the laws of the State of Tennessee.

3. The owner has caused to be prepared and recorded in the public records of the State of Tennessee a plat of the subdivision of the land, as legally recognized by the laws of the State of Tennessee, showing the location of the proposed subdivision of the land, as legally recognized by the laws of the State of Tennessee, and the location of the proposed subdivision of the land, as legally recognized by the laws of the State of Tennessee, and the location of the proposed subdivision of the land, as legally recognized by the laws of the State of Tennessee.

4. The owner has caused to be prepared and recorded in the public records of the State of Tennessee a plat of the subdivision of the land, as legally recognized by the laws of the State of Tennessee, showing the location of the proposed subdivision of the land, as legally recognized by the laws of the State of Tennessee, and the location of the proposed subdivision of the land, as legally recognized by the laws of the State of Tennessee, and the location of the proposed subdivision of the land, as legally recognized by the laws of the State of Tennessee.

5. The owner has caused to be prepared and recorded in the public records of the State of Tennessee a plat of the subdivision of the land, as legally recognized by the laws of the State of Tennessee, showing the location of the proposed subdivision of the land, as legally recognized by the laws of the State of Tennessee, and the location of the proposed subdivision of the land, as legally recognized by the laws of the State of Tennessee, and the location of the proposed subdivision of the land, as legally recognized by the laws of the State of Tennessee.

6. The owner has caused to be prepared and recorded in the public records of the State of Tennessee a plat of the subdivision of the land, as legally recognized by the laws of the State of Tennessee, showing the location of the proposed subdivision of the land, as legally recognized by the laws of the State of Tennessee, and the location of the proposed subdivision of the land, as legally recognized by the laws of the State of Tennessee, and the location of the proposed subdivision of the land, as legally recognized by the laws of the State of Tennessee.

7. The owner has caused to be prepared and recorded in the public records of the State of Tennessee a plat of the subdivision of the land, as legally recognized by the laws of the State of Tennessee, showing the location of the proposed subdivision of the land, as legally recognized by the laws of the State of Tennessee, and the location of the proposed subdivision of the land, as legally recognized by the laws of the State of Tennessee, and the location of the proposed subdivision of the land, as legally recognized by the laws of the State of Tennessee.

8. The owner has caused to be prepared and recorded in the public records of the State of Tennessee a plat of the subdivision of the land, as legally recognized by the laws of the State of Tennessee, showing the location of the proposed subdivision of the land, as legally recognized by the laws of the State of Tennessee, and the location of the proposed subdivision of the land, as legally recognized by the laws of the State of Tennessee, and the location of the proposed subdivision of the land, as legally recognized by the laws of the State of Tennessee.

9. The owner has caused to be prepared and recorded in the public records of the State of Tennessee a plat of the subdivision of the land, as legally recognized by the laws of the State of Tennessee, showing the location of the proposed subdivision of the land, as legally recognized by the laws of the State of Tennessee, and the location of the proposed subdivision of the land, as legally recognized by the laws of the State of Tennessee, and the location of the proposed subdivision of the land, as legally recognized by the laws of the State of Tennessee.

10. The owner has caused to be prepared and recorded in the public records of the State of Tennessee a plat of the subdivision of the land, as legally recognized by the laws of the State of Tennessee, showing the location of the proposed subdivision of the land, as legally recognized by the laws of the State of Tennessee, and the location of the proposed subdivision of the land, as legally recognized by the laws of the State of Tennessee, and the location of the proposed subdivision of the land, as legally recognized by the laws of the State of Tennessee.
